List of Required Immunizations for all Foreign Staff

This is a list of required immunizations for all foreign staff joining New Life Foundation/Fellowship. Please see your doctor at least six (6) weeks before your departure date to receive the full dosage of all the vaccines. If you are passing through Bangkok or Singapore at least 14 days before arrival in Phnom Penh, you may wish to get vaccinated there instead, as it is considerably cheaper than the US or Canada.

Name of immunization	Number of doses
Rabies	3 (1 booster required every 3 years)
Oral Polio	1 (1 booster required every 10 years)
Typhim VI (against Typhoid Fever)	1 (1 booster required every 3 years)
Hepatitis A	2 (1 booster required every 5 years)
Hepatitis B	3 (1 booster required every 5 years)
Tetanus Toxoid	1 (1 booster required every 10 years)
Diphtheria)	1 (can be taken together as 1 shot)
Pertussis)	
BCG Tuberculosis	Skin test plus 1 shot

Warning: We do **not** recommend taking any malaria prophylaxis, as it has been known to cause problems to your physical and emotional health. Unless you are planning on trekking in the jungles, you most likely won't need to worry about malaria. Since coming to Cambodia in 1995, I've never taken malaria medicine.

Cambodia Outreach is the ministry of the McCauls in Cambodia since April 1995.

New Life Fellowship is the church which the McCauls pastor in Phnom Penh, Cambodia. Other churches have been planted outside of Phnom Penh with the same philosophical and biblical foundation.

New Life Foundation is the relief and development organization which the McCauls direct in Cambodia. The current project is an Office Skills Training School in Phnom Penh which teaches Cambodian young people the English language, typing, basic computer programs, office skills and other office-related subjects for no fee. Successful students are then assisted in finding a job in the office of an international organization.
